

REMARKS

In response to the Office Action of November 30, 2005, the claims have been amended to more clearly define the subject matter which Applicant regards as his invention.

Claims 2-4, 6, and 8-10, remain in the case for consideration. Claims 5, 7 and 8 have been indicated to be allowable, if rewritten. Claim 8 has been amended to overcome the objection. New claim 9 combines the limitations of claims 1 and 5. New claim 10 combines the limitations of 1 and 7.

It is believed that the application is now in condition for allowance and such action is requested.

Respectfully submitted,

Charles W. Chandler
Attorney for Applicant
